ADMISSION TO THE UNIVERSITY

NEW APPLICANTS

New applicants for admission to Memphis State University must clear the following requirements with the Registrar's Office (Room 204, Administration Building) no later than January 20, 1962.

1. Complete the application form provided by the Registrar's Office.
2. Submit a satisfactory transcript of credits.
 - a. Beginning freshmen must request the high school principal to mail a transcript of credits to the Registrar's Office.
 - b. Transfer students must request the registrar of *each* college attended to mail a transcript of credits to the Registrar's Office.

NOTE: Transcripts will not be accepted from the student; they must be mailed by the officials indicated above.

3. Pass the Memphis State University entrance examination, or its equivalent. Information concerning the dates on which the examination will be given is available from the Registrar's Office.
4. Submit the required Health Service Record Card.

FORMER STUDENTS

A former student is defined as (1) one who has not registered at Memphis State University during the fall semester, 1961, and/or (2) one who has attended another college since he last attended Memphis State. Such a student, in order to qualify for re-admission, must clear the following requirements with the Registrar's Office (Room 204, Administration Building) no later than January 20, 1962.

1. Complete the application form for re-admission provided by the Registrar's Office.
2. Request the registrar of each college attended, if any, to mail a transcript of credits to the Registrar's Office.

After the new applicant or the former student has completed the procedures outlined above, he will be notified of his status by the Registrar's Office; if he is accepted, he will be issued a card of admission. **THIS CARD MUST BE PRESENTED AT THE REGISTRAR'S OFFICE AT THE TIME REGISTRATION PACKETS ARE OBTAINED.** (See Step 1, Registration Procedure, p. 3 of this bulletin.)

CURRENT STUDENTS

Students enrolled at Memphis State University during the fall semester, 1961, will automatically have registration materials prepared for them. It will not be necessary for them to notify the Records Office of their intention to return.

PLEASE NOTE: Any student—new or former—who fails to complete all of these requirements within the time specified will face indefinite delays at the time of registration.

REGISTRATION PROCEDURE

STEP 1: Get registration packet and envelope from the Registrar's Office, Room 204, Administration Building.

- a. Current students and former students who complete admission requirements before January 5, 1962 may obtain packets and envelopes anytime between **TUESDAY, JANUARY 9 at 8:00 A.M. and FRIDAY, JANUARY 12 at 4:00 P.M.**
- b. Former students who do not complete admission requirements before January 5 may not obtain packets and envelopes until 8:00 A.M., Monday, February 5.
- c. Beginning freshmen and transfer students will be issued registration materials and instructions during the orientation session on Tuesday, February 6.

STEP 2: Have a conference with your adviser sometime between **TUESDAY, JANUARY 9,** and **FRIDAY, JANUARY 19;** he will help you plan your schedule and complete the registration envelope.

- a. Former students who do not complete admission requirements before January 5, will confer with their advisers on Monday, February 5.
- b. Beginning freshmen and transfer students will be assigned to advisers during the orientation session.

STEP 3: At your leisure, fill in (using pencil, please) all the information called for on the forms included in your registration packet, **EXCEPT FOR CLASS SCHEDULES.**

- a. Class schedules must not be entered on any of these cards until after the proper class cards have been obtained (Step 4).
- b. All other information must be furnished in full; failure to complete all of the forms fully will only delay your registration.
- c. Be very careful not to bend or in any way mutilate the IBM cards in this packet. If any of the cards are damaged, or if the packet is lost, you will face a long delay at registration time.

STEP 4: On the day and at the time indicated on the front of your brown registration envelope, report to the NORTH entrance of the Field House. **NO ONE WILL BE ADMITTED AT ANY TIME EARLIER THAN THE TIME INDICATED ON THIS ENVELOPE.** In the Field House (Rooms 211 and 212) apply to each department listed on your schedule for the appropriate class cards and admission cards.

- a. You will be given *two* cards for each class in which you enroll: one of these is the official class card which will be surrendered at the Bursar's Office; the other is the Admission Card which must be validated at the Bursar's Office and which you must present to the instructor of the course at the first class meeting. **YOU MAY NOT ATTEND ANY CLASS WITHOUT A PROPERLY VALIDATED ADMISSION CARD.**
- b. **IMPORTANT NOTE:** You must be prepared to make minor changes in your schedule while in the Card Center; certain sections will fill and will have to be closed during the registration period. It is inevitable that some students will have to make adjustments in time and sections; if your original schedule is flexible, such changes can be easily effected. **HOWEVER,** if your schedule must be changed to include a *course* not originally recommended on the Schedule Envelope, you must return to your adviser for his approval to add the course.

STEP 5: After you have obtained all of your class cards, return to your adviser's office. Copy your final class schedule on the cards in your packet, and have the cards signed by your adviser. Leave the registration envelope with your adviser.

STEP 6: (FOR WOMEN STUDENTS ONLY): *All* women students must go to the office of the Dean of Women for residence approval.

STEP 7: Take the registration packet and all of your class cards to the director of the school in which you are enrolled. During the registration period the directors are located as follows:

ARTS AND SCIENCES	: Auditorium, Administration Building
BUSINESS ADMINISTRATION:	Room 310, Administration Building
EDUCATION	: Room 103, Administration Building
GENERAL COLLEGE	: Dean Robison's Office, Administration Building

-
- STEP 8:** After the director has approved your schedule, take your registration packet to the Bursar's Office, Room 208, Administration Building, and settle your account. **NO REGISTRATION IS COMPLETE UNTIL ALL FEES HAVE BEEN PAID.**
- STEP 9: (FOR VETERANS WITH GI BENEFITS):** After the Bursar has been paid, report to Mr. Leo Davis, Office of Veterans' Affairs, located in the Student Center.
- STEP 10:** (a) If you have an Identification Card, it must be validated by the Bursar's Office at the time you pay your fees.
- (b) If you do not have an Identification Card and are registered for 11 semester hours or more, go to Room 214, Administration Building, and have the required identification picture made. If your picture is not made on the same day your fees are paid, the card will cost you \$1.00. Cards will be distributed from Room 209.
- STEP 11: (FOR STUDENTS WITH AUTOMOBILES)** If you plan to drive an automobile on the campus, you must register it in the office of the Dean of Men (Room 209, Administration Building), and obtain a university license. Fines will be assessed against any unlicensed automobile parked on the campus. The license fee is \$2.00.
-

CHANGE OF COURSE PROCEDURE

After a student's registration is completed, he may, within specified time limits, change his class schedule through the process of adding and/or dropping courses. Application for permission to add or drop courses is made in the office of the student's adviser.

No course may be added after **TUESDAY, FEBRUARY 13.**

No course may be dropped after **TUESDAY, MARCH 13.**

IMPORTANT NOTE: It is sometimes necessary for a student to request a change from one section of a course to another section of the same course; such changes will be allowed only in extreme emergencies. The procedure involves dropping one section and adding another; it must be done within the time limits noted above, and **MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.**

WITHDRAWAL FROM THE UNIVERSITY

A student may withdraw from the university by advising **DEAN R. M. ROBISON** in person or in writing. Failure to notify the dean of withdrawal will result in a grade of "F" for each course in which the student is registered.

Students who withdraw before **TUESDAY, MARCH 13** will have their records marked "Withdrawn."

Students who withdraw after **TUESDAY, MARCH 13** will have each of their courses recorded as "WP" (withdrawn passing) or "WF" (withdrawn failing) depending upon their performance in each course at the time of withdrawal.

No withdrawal is permitted within one week of the beginning of the final examination period, or after **SATURDAY, MAY 12, 1962.**

ADVISERS

At the time of registration each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not necessarily permanent or binding; the student may change his major area at any time during his college career with a minimum of administrative procedure.

- a. **CURRENT and FORMER STUDENTS** will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.
- b. **BEGINNING FRESHMEN AND TRANSFER STUDENTS** will receive instructions about advisers during the orientation sessions beginning at 8:00 A.M. February 6 in the University Auditorium.

PRE-PROFESSIONAL STUDENTS: In certain areas the university has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees in the rooms indicated:

PRE-MEDICINE ADVISORY COMMITTEE (Dr. Elmore Holmes, chairman):
Room 120, Manning Hall

(This committee will advise students interested in careers in medicine, dentistry, pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.)

PRE-LAW ADVISORY COMMITTEE (Dr. Erwin C. Buell, chairman):
Room 223, Johnson Hall.

PRE-ENGINEERING ADVISORY COMMITTEE (Dr. Don P. Claypool, chairman): Room 303, Administration Building.
